

STRONG AND SECURE FIXED LENGTH METAL SEAL

Flexible and Secure Fixed Length seal with galvanised metal strap for increased security.

Features:

- Narrow strap allows for usage in small latches and apertures
- Metal spring clip locking mechanism provides increased security
- Curled edges prevents accidental cuts when handling the strap
- Self-locking mechanism ensures secure locking without need for tools
- Galvanised Tin Plate strap ensures seal integrity in adverse conditions
- Seal can only be removed by cutting metal strap using a cutter
- Embossed serial numbers and text for permanent marking
